MITSUBISHI MOTORS

We express our deep apologies to our customers and all involved for the great concern and trouble caused by the improper conduct in fuel economy testing of vehicles manufactured by MMC.

We at MMC clarify the cause of the improper conduct and take necessary measures that will never let any similar incident happen in the future, while making fundamental reforms of our internal control, corporate governance and compliance systems, thereby endeavoring to improve and enhance operational execution to ensure its appropriateness and efficiency.

Mitsubishi Motors Corporation Facts & Figures is published annually to help the media, researchers and analysts concerned with the auto industry better understand its activities.

All of us at Mitsubishi Motors hope that this publication will give all readers an even better understanding of the company and its products.

Mitsubishi Motors Corporate Philosophy

"We are committed to providing the utmost driving pleasure and safety for our valued customers and our community.

On these commitments we will never compromise.

This is the Mitsubishi Motors way."

While, as a member of Mitsubishi Group, we carefully follow the Group's "The Three Principles," we also maintain our own corporate philosophy defining our own fundamental purposes and directions that include maintaining our "Corporate Responsibility to society," practicing "Integrity and Fairness" and promoting "International Understanding through Trade."

Derivation of MMC Major Models Name

Name	Derivation and Meaning
Attrage	From the English word "attractive" and "mirage".
Delica D:5	From "delivery car"; D:5 meaning "5th-generation Delica"
eK Wagon	Coined from the Japanese "ii-kei", for excellent K-car (minicar)
i-MiEV	Mitsubishi Motors' electric vehicle. "From the Japanese "ai" meaning love, and representing intelligence, innovation, and imagination. The name "MiEV" stands for "Mitsubishi Innovative Electric Vehicle."
minicab	Light cab-over vehicle with a cargo bed
Mirage	From the English word (originally French) "mirage"
Outlander	From the English "outland", evoking the feeling of journeying to distant, unexplored lands in search of adventure
Pajero	Named after a mountain cat that inhabits the Patagonia plateau region in southern Argentina
Triton	Tri, English meaning "3" (from Mitsubishi = three diamonds), combined with "ton" of "1-ton pickup"
