Notice of Allocation of Deferred Tax Assets

Mitsubishi Motors Corporation (MMC) hereby announces it has recorded deferred tax assets based on the 2013 fiscal year (April 1, 2013 – March 31, 2014) as follows:

1. Allocated deferred tax asset determination and amount

In light of MMC's operating performance during the 2013 fiscal year and expectations in future financial trends, MMC has recorded deferred tax assets in its financial results report for the 2013 fiscal year. This allocation was based on the result of careful consideration of the possibility of realizing the deferred tax assets.

Due to the above, MMC has booked income taxes-deferred by 12.5 billion yen in its non-consolidated financial results report for the 2013 fiscal year, and booked income taxes-deferred by 14.5 billion yen in its consolidated financial results. These bookings positively impact profit for the term.

2. Effect on financial results

Please refer to the "Consolidated Financial Results for FY 2013 Full Year (April 1, 2013 through March 31, 2014) [Japan GAAP]" released today for financial results information.
