NOTE: Some mobile carrier may not support the older devices or OS mentioned in the above list

- If specifications change or software updating occurs after our check, the actual operation may differ from our check result.
- The operation check does not guarantee all the operations and functions of the Bluetooth® device of same type.
- We are not responsible if data etc. in an smartphone are lost when in use.
- When the unit and a smartphone are connected, we could not fully guarantee the function of the voice recognition such as "Hey Siri".
- Although countries and regions where services are available are expanding, Apple CarPlay services are NOT available in some markets.

- If you need information concerning availability of Apple CarPlay in your region, please check the latest information from following website. <https://www.apple.com/ios/feature-availability/#apple-carplay>
- Apple, iPhone, Siri, CarPlay and CarPlay logos are trademarks of Apple Inc., registered in the U.S. and other countries.
- The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.
- The check result is same on Navi(9inch) and Display Audio(8inch).

NOTE: Some mobile carrier may not support the older devices or OS mentioned in the above list

- If specifications change or software updating occurs after our check, the actual operation may differ from our check result.
- The operation check does not guarantee all the operations and functions of the Bluetooth® device of same type.
- We are not responsible if data etc. in an smartphone are lost when in use.
- When the unit and a smartphone are connected, we could not fully guarantee the function of the voice recognition such as "OK Google".
- Although countries and regions where services are available are expanding, Android Auto services are NOT available in some markets.

- If you need information concerning availability of Android Auto in your region, please check the latest information from following website. <http://www.android.com/auto/>
- Android, Android logos and Android Auto are trademarks of Google Inc.
- The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.
- The check result is same on Navi(9inch) and Display Audio(8inch).
