*1 - If Bluetooth is turned off from Control Centre on your Apple device, Link system may become unstable. Please turn off Bluetooth by using your Apple device settings or connect the Bluetooth to the Link System.

*2 - Updating to Android 15 is not recommended (as of April 1, 2025)

O	Function is compatible with Mitsubishi Link System operation
X	Function is not compatible with Mitsubishi Link System operation
!	Function is compatible with system operation but may experience some limitations
-	This feature is not supported by this device at this time - please check back periodically for updates
?	This function has not been tested on this device.

These devices have been tested in accordance with Mitsubishi interoperability standards. Overall device compatibility as well as individual feature operation and functionality is contingent upon the device software version, device operating system, device settings, wireless service provider, and third party applications installed on the device. Individual user results may vary. Mitsubishi Motors and Visteon Corporation are not responsible for software irregularities or hardware issues devices may experience that are outside of our testing scope. As new device software versions become available, test compatibility results may change so please check these results regularly. iPod® and iPhone® are registered trademarks of Apple Inc., registered in the U.S. and other countries. Last update occurred on 09/02/21.

	Category Name	Feature Name	Feature Description
		Software Version	Software Version: The version of software that was tested and approved for Bluetooth compatibility. If there is no software version listed then the phone passed without a specific software version needed. Software versions are released regularly and this information will be updated accordingly. If a software version is listed, click on the link to be directed to instructions for finding your software version on your phone.
Basic Features	Basic Features: These are the necessary features for your bluetooth device to work with the Mitsubishi Link System.	Phone Pairing	Phone pairing: Ability of the phone to pair and link to the Mitsubishi Link system.
		Handsfree Dialling	Handsfree dialling: Ability of an outgoing call to connect through the "CALL" or "DIAL" command.
		Incoming Call	Incoming call: Ability to connect to an incoming call through the Mitsubishi Link system.
		Call Transfer	Call transfer: Ability to transfer a call from the Mitsubishi Link system to the phone and the phone to Mitsubishi Link system by pressing the SPEECH button, releasing and saying, "TRANSFER".
		Call Hangup	Call hangup: Ability to hang up a call by pressing the HANG UP button on the Mitsubishi Link system.
Advanced Features	Advanced Features: These features are nice to have but do not affect the absolutely necessary functions for the device to work.	Call Waiting	Call waiting: Ability of Mitsubishi Link system to sound the call-waiting tone, place the first call on hold and answer the second call by pressing and releasing the SPEECH button.
		Manual Ring Tones	Manual ring tones: Ability to send tones such as pound, hash or star through the Mitsubishi Link system.
		Contact Import	Contact import: Ability to transfer your contacts individually directly from your phone to the Mitsubishi Link system. The phone must support the Bluetooth OPP Profile for this feature.
		Phonebook Import	Phonebook import: Ability to transfer and store up to 1,000 contacts from your mobile phone into the Link System.
Bluetooth® Audio	Bluetooth Audio: Bluetooth Audio features.	Streaming Audio	Streaming Audio: Streaming Audio is the ability to play music through your vehicle's audio system using a Bluetooth phone. You must pair your Bluetooth music phone to the Mitsubishi Link system first then you may play your music through the vehicle's audio system.
		Song Information	Song Information: Ability to display information such as title, artist, album and genre.
Indicators	Indicators: The indicators that the phone must send to the system in order to display.	Battery Level	Battery level: The phone's battery level will appear on the display.
		Caller ID	Caller ID: The phone number for the incoming call will appear on the vehicle display.
		Signal Strength	Signal strength: The phone's signal strength will appear on the display.
		Roaming	Roaming: The phone's roaming indicator will appear on the vehicle display.

Pair it

Pairing Instructions - Navigation Display

NOTE: Before beginning the pairing process, make sure your vehicle is stopped in a safe area and the gear lever is in “N” Neutral) or “P” (Park), and pull the handbrake lever.

1. Power on the phone and ensure Bluetooth® is ON. Please refer to your phone’s user guide for steps to turn on Bluetooth®.
2. Press “INFO” next to the navigation screen.
3. Select “Mobile Phones” on the navigation screen.
4. Select the up arrow (↑).
5. Select “Pairing”.
6. Select “New Device”.
7. Enter your 4-digit PIN code. Remember it as you will need to enter it into your phone later. Some phones have a pre-set pairing code. Please consult your phone’s user manual to see if your phone has this requirement. The System will now instruct you to begin the pairing process in the phone. See your mobile phone’s user manual for instructions.
8. Using your mobile phone, perform a search for Bluetooth® devices — Select “Hands Free System” from the device list on the phone.
9. Input the same 4-digit PIN code set in Step 7.
10. The system will respond with “Pairing Complete”.

Pairing Instructions - Software Version 17.0.0 or lower

NOTE: Before beginning the pairing process, make sure your vehicle is stopped in a safe area and the gear lever is in “N” Neutral) or “P” (Park), and pull the handbrake lever.

To check the system software version, please refer to **software update**.

1. Power on the phone and ensure Bluetooth® is ON. Please refer to your phone’s user guide for steps to turn on Bluetooth®.
2. Press and release the SPEECH button on the steering wheel and wait for the —beep— before you speak.
3. Say “Setup.”
4. Say “Pairing Options.”
5. Say “Pair.”
6. Say any 4 digit PIN code for pairing. Remember it as you will need to enter it into your phone later. Some phones have a pre-set pairing code. Please consult your phone’s user manual to see if your phone has this requirement. The System will now instruct you to begin the pairing process in the phone. See your mobile phone’s user manual for instructions.
7. Using your mobile phone, perform a search for Bluetooth® devices — Select “Hands Free System” from the device list on the phone.
8. Input the same 4-digit PIN code as the Fuse system.
9. Name the phone when prompted by the system.
10. The system will respond with “Pairing Complete”.

Pairing Instructions - Software Version 18.0.0 or higher

NOTE: Before beginning the pairing process, make sure your vehicle is stopped in a safe area and the gear lever is in “N” Neutral) or “P” (Park), and pull the handbrake lever.

To check the system software version, please refer to **software update**.

1. Power on the phone and ensure Bluetooth® is ON. Please refer to your phone’s user guide for steps to turn on Bluetooth®.
2. Press and release the SPEECH button on the steering wheel and wait for the —beep— before you speak.
3. Say “Pair (a) device”, or “Pair (a) Phone”.

4. System will respond with "Start pairing procedure on the device. See the device manual for instructions. The Pairing Code is 'XXXX'".
5. Remember the PIN code the Link System speaks.
6. Using your mobile phone, perform a search for Bluetooth® devices — Select "Hands Free System" from the device list on the phone.
7. Input the same 4-digit PIN code as the Fuse system.
8. Name the phone when prompted by the system.
9. The system will respond with "Pairing Complete".

Media Players

With Link System, controlling your music library is simple. Using a USB or Bluetooth® connection, you can browse artists, pick songs and stay in tune without ever taking your hands off the wheel.

*2 : If Bluetooth is turned off from Control Centre on your Apple device, Link system may become unstable. Please turn off Bluetooth by using your Apple device settings or connect the Bluetooth to the Link System.

O	Function is compatible with Mitsubishi Link System operation
X	Function is not compatible with Mitsubishi Link System operation
!	Function is compatible with system operation but may experience some limitations
-	This feature is not supported by this device at this time - please check back periodically for updates
?	This function has not been tested on this device.

These devices have been tested in accordance with Mitsubishi interoperability standards. Overall device compatibility as well as individual feature operation and functionality is contingent upon the device software version, device operating system, device settings, wireless service provider, and third party applications installed on the device. Individual user results may vary. Mitsubishi Motors and Visteon Corporation are not responsible for software irregularities or hardware issues devices may experience that are outside of our testing scope. As new device software versions become available, test compatibility results may change so please check these results regularly. iPod® and iPhone® are registered trademarks of Apple Inc., registered in the U.S. and other countries. Last update occurred on 09/02/21.

Plays Music	Music is being played from the device.
Song Information	The system's ability to recognise the song information and display them.
Music Controls	The ability to use the next and previous functions to control the music via the audio system.
Charge Device	The battery will charge while connected.

Software Update

The Link System allows you to update your system software and new software is now available.

For Link Handsfree Link System™ users:

Please ask your Mitsubishi dealer if you would like to update your Link System software. The update will be conducted by the dealer.

As it might take some time to prepare for the update, we recommend you make an appointment with your dealer.

Note: Once the update is completed, the system will be reset and the following information will be deleted:

- Phone book data
- Pairing data
- Voice Recognition data

Software Version	Description	Covered Vehicle	Available Date
19.0.0	• Countermeasure to allow music to play via USB with Apple iOS8 and later devices. • Correction for unexpected pause of Bluetooth audio for Apple devices. • Fast Forward press issue fix. • New Gracenote Database. • Increased stability of Bluetooth connection. • Contents of software version 18.0.0. Note: Music played via USB with iOS4 or older software, or iPod Classic/Nano, may not function properly.	All Link System vehicles.	July, 2015
18.0.0	• Reduce the time for USB music to begin playing. • Simplify the pairing process using voice commands. For step-by-step instructions, Please refer to Pair it. • Contents of software version 11.0.0.	All Link System vehicles.	December, 2014
11.0.0	• Countermeasure to allow music to play via USB when there are no play lists in the iPod/iPhone. • Contents of software version 9.0.0.	All Link System vehicles that have software version 9.0.0 or before. To check the software version, please refer to How to check the software version If your software version is 10.0.0 Updating is not necessary because the content of 10.0.0 is the same as 11.0.0.	June, 2012
9.0.0	Allow USB audio connection for your iPod and iPhone with the iOS4.	All 2010 and 2011 model year vehicles equipped with Link System.	June, 2011

Warranty Information

Hardware or software updates needed to support and/or connect Mitsubishi vehicles to non-Mitsubishi supplied devices such as, but not limited to, cell phones, music players, tablets, laptops or other audio, video and data sources) are not warrantable.

How to check the software version

Approximately 1 minute after starting the engine, execute the following steps 1-3 within 10 seconds.

1. Press and hold (On hook key) for more than 2 seconds.
2. Press and hold (On hook key) for more than 2 seconds again.
3. Press (On hook key) for less than 1 second.
4. Voice guidance will announce the software version number from the speaker.

(On hook key)

Example : If the software version is 11.0.0, voice guidance announces "1", "1", "0", "0".

Note : If the software version is 9.0.0 or before, there will be no voice guidance.

Frequently Asked Questions

Question	Answer
What is Bluetooth®?	Bluetooth is the name of a wireless technology standard which allows different types of electronic devices to interact via short-range radio waves. Because of the versatility of Bluetooth wireless technology, enabled devices do not share all of the same profiles. The Link System is compatible with Bluetooth-enabled phones that have a hands-free profile. The standard allows a wide range of devices to communicate with each other, with minimal user effort.
How do I know if my Bluetooth phone will work with Link System?	See Find it to view the supported features for your phone and the Link system.
How do I know if my USB device (iPod, MP3 player or thumb drive) will work with the Link System?	See Find it to view the supported features for your USB device and the Link system.
How do I set up my phone to work with Link System?	See Find it to find your phone. Then, click the “Set up this phone” link to set up (or “pair”)
How do I answer a call using Link System?	TO ANSWER A PHONE CALL:
	1. After pairing is complete, your phone need only be in the vehicle and turned on. You can now answer calls without touching the phone.
	2. When the Link System prompts you that an incoming call is coming in, when available the call ID information will be displayed.
	3. Press and release the “Pick Up” button on the steering wheel if you want to accept the call. The audio system automatically switches to hands-free mode. Begin talking.
	4. Press the “HANG UP” button on the steering wheel when you are finished with your call.
How do I make a call using Link System?	TO PLACE A PHONE CALL
	1. After pairing is complete, your phone need only be in the vehicle and turned on. You can now make calls without touching the phone.
	2. Press and release the “SPEECH” button on the steering wheel and wait for the beep before speaking. The audio system automatically switches to hands-free mode.
	3. Say “Cal” or “Dial”. The vehicle will ask what name or number you would like to call.
	4. After the beep say the number you would like to call. The vehicle will confirm the number
	5. After the beep say “yes” if the number is correct; if it is not, then say “no” and the system will prompt you to re-enter the number you would like to call
	6. After your conversation, press the “HANG UP” button. The audio system automatically returns to its prior mode.
I can't pair my Bluetooth device to the Link System using the passkey.	Some Bluetooth devices can only be paired using the passkey “0000”. Please reset your p
How is the performance of the Link System in comparison to my mobile phone?	The Link System is using your mobile phone service so the same level of service will apply; i.e. if you experience static on your mobile phone due to low signal strength then you will also experience static on the Link System.

I can't find the commands for the "voice training" feature to help make the Link System recognise my voice better.	Speaker enrollment requires 8 phrases to be spoken.
	• 0123456789
	• 888-555-1212
	• Call
	• Dial
	• Setup
	• Cancel
	• Continue
	• Help
	The vehicle display will show you the command you need to speak. To activate the voice training feature within the Link System, press the "SPEECH" button and wait for the beep, then say "voice training". The system will then guide you through the process.
What is the difference between the mobile phonebook and the vehicle phonebook?	The mobile phonebook is associated with the paired and linked mobile phone. You can import your contacts from your mobile phone into the mobile phonebook. You can ONLY view the mobile phonebook that is linked to the system. Once you unlink your mobile phone, that mobile phonebook is no longer viewable. The vehicle phonebook is associated with the vehicle. Anyone, regardless of which phone is linked to the system, can access the vehicle phonebook. To enter contacts into the vehicle phonebook, press the SPEECH button and say "phonebook" then follow the Link prompts.
How many contacts does the Link System support?	You can import into the mobile phonebook 1,000 contacts per paired phone (you may pair up to 7 phones to the system). You can enter 32 contacts into the vehicle phonebook.
What is Bluetooth audio?	Bluetooth audio is the ability to wirelessly play music over Bluetooth from your phone through the vehicle's audio system. Simply pair your phone, select Bluetooth audio from the "MODE" button and music will automatically begin playing. You may need to start the music on your mobile phone if the music does not automatically begin playing.
What kind of audio quality can I expect from the Bluetooth audio feature?	The audio quality of the music will vary by device, network and music files.
Why can't I see the song information when using Bluetooth audio?	The Link system has the capability to show the song information but the phone also needs to have the capability to send the song information. The phone needs to support the Bluetooth profile AVRCP 1.3 to send the song information.
What type of music files will work with USB?	The music files supported are MP3, WMA, AAC and Wave.
When playing my music, how will I know if a call is coming in?	The Link system will pause and mute the audio and alert you that an incoming call is coming in. Simply press the PICK UP button and answer the call. Once you are finished with the call, press the HANG UP button and the music will resume.
Is it necessary to re-pair my mobile phone after I update the phone software?	After updating the phone software, you may lose the Bluetooth connection. If this happens, please make sure to delete the pairing from both the phone and the Link system and then perform the pairing process again.

Why am I having Bluetooth linking/connection issues after I paired my phone? Sometimes it works fine and other times it won't re-connect.	You may need to perform a soft reset on your phone. To perform a soft reset on your phone, remove the battery from your phone and leave it out for at least 10 seconds. Put the battery back in the phone, power the phone on, ensure Bluetooth is on and try re-connecting to the Link system. You may need to "select the device" in the Link System to re-connect. To do this, push the "INFO" button, select "Mobile Phone", select <Up Arrow> and select "Pairing" and then select your device. The Link System's Phone features may not work if disconnect→reconnect operation is performed from the mobile device. Please use the Link System to perform reconnection.
What settings in my phone do I need to set in order to link to the Link System each time I get into the vehicle?	The phone settings play an important role for linking to the Link system each time you get into the vehicle. Each phone is unique and may require multiple setting changes. Please check your mobile phone owner's manual.
Why am I experiencing poor audio quality when listening to USB music players?	You may experience poor audio quality with players if the audio player is also connected via Bluetooth Streaming Audio and streaming music. Please ensure you turn the Bluetooth Streaming audio off while listening to music via USB.
Why is my music distorted on my iPhone?	Sometimes incorrect data is sent, causing the music to distort. Simply select next track to
Why am I having USB connection problems with my iPhone/iPod with the iOS 8.0 or above?	The issue with USB connection has been solved with the software version 19 or later. For the details, please refer to Software update .
Can I use voice recognition to control my music?	For the USB music devices, you may press the SPEECH button and use the commands "play artist", "play genre", "play album" and "play playlist". For Bluetooth audio you cannot use the voice commands. This is not a limitation of the Link system; it is not a supported Bluetooth feature.
My Apple (iPhone or iPod) could play music before, but doesn't work now.	Please check if there is a playlist in your Apple device. If not, please create one and try to
How do I change the language in my Link System?	You must give commands to the system in the current language in order to change to the desired language. Use the commands below. Click a phrase to hear audio of that phrase.
	System is in English:
	To change to Spanish, say " Set up " then " Language " then " Spanish "
	To change to French, say " Set up " then " Language " then " French "
	To change to Italian, say " Set up " then " Language " then " Italian "

		To change to German, say “ Настройка ” then “ Язык ” then “ Немецкий ”
When playing music from a USB device (e.g. USB memory stick, iPod, etc.), the resume function doesn't work. Why is the first song always played after every ignition cycle?	The following reasons are suspected: • The USB device was removed while the engine was running or in Accessory mode. • The ignition was cycled while music was playing which caused the navigation or audio system to turn off then on. • The USB device was removed immediately after turning off the engine and the vehicle was in Accessory mode. The resume function may not work on the next ignition cycle. Please try following actions: • Insert the USB device prior to starting the engine and do not to remove the USB device while the engine is running or when the vehicle is in Accessory mode. • Wait a short while after turning off the engine and the vehicle is not in Accessory before removing the USB device. • Add new song to the USB device.	
When importing the phonebook from my mobile phone into my Link system, why are only some contacts transferred?	The Link System can transfer contacts with numbers listed in the following categories within the contact: “Home”, “Mobile” and “Work”. Contacts with numbers stored in other categories such as “Other” may not be transferred, or may only partially transfer. Ensure desired numbers are stored in the categories of “Home”, “Mobile” and “Work” to allow proper transfer.	
My Android smartphone does not play music when connected via USB.	The Link System doesn’t support the music playback from Android smartphones via USB. Please connect your Android smartphone via Bluetooth. Please refer to Find it to view supported phones.	
My Windows smartphone does not play music when connected via USB.	The Link System doesn’t support the music playback from Windows smartphones via USB. Please connect your Windows smartphone via Bluetooth. Please refer to Find it to view supported phones.	
When listening to music from smartphone/music player connected via USB, the song selected on the vehicle display is not the song that is heard.	If you purchase a song, remove a song, or edit the playlist on the smartphone/music player while USB is connected, the song information on the vehicle display may be different than the song information on the smartphone/music player. Disconnect and reconnect the device via USB to sync the updated song information.	
When listening to music from smartphone/music player connected via USB, the song selected on the screen of the smartphone/music player is not the song that is heard.	While connected to the Link System via USB, the music cannot be selected using the smartphone/music player screen. Please select a song using the vehicle display.	
When listening to music from smartphone/music player connected via USB, is it possible to listen to songs by using the device's application?	The Link system does not support USB music operation utilizing the application on the device.	

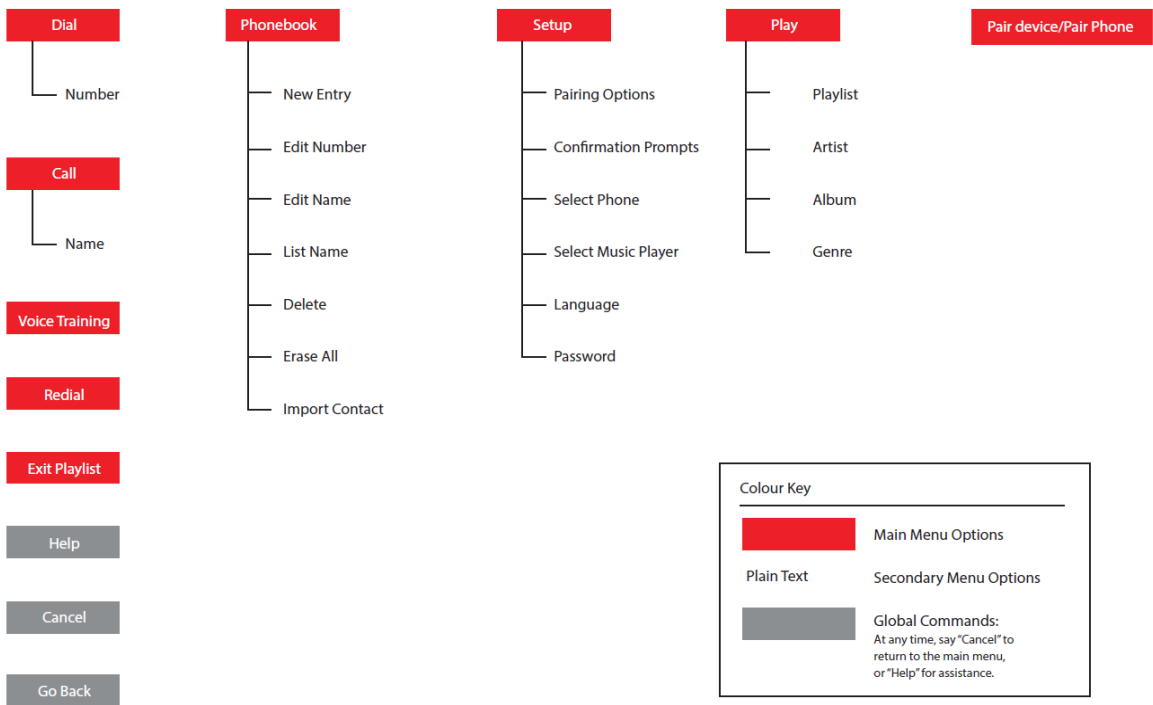

My Apple device doesn't play Apple Music, iTunes Radio or iTunes Genius when connected via USB.	The Link System doesn't support USB music playback via a network such as Apple Music, iTunes Radio or iTunes Genius on Apple devices. Please connect your Apple device via Bluetooth.
Why is the first song played after playing music via USB suddenly stops? This behavior repeatedly happens.	If Bluetooth is turned off from Control Centre on your Apple device, Link system may become unstable. Please turn off Bluetooth by using your Apple device settings or connect the Bluetooth to the Link System.

Terms of Use and Privacy Statement

Terms of Use

ATTENTION: PLEASE READ THESE TERMS CAREFULLY BEFORE USING THIS WEBSITE. BY USING THIS WEBSITE YOU ACCEPT AND AGREE TO BE BOUND AND ABIDE BY THESE TERMS OF USE). IF YOU DO NOT ACCEPT THESE TERMS, DO NOT USE THIS WEBSITE.

Use of Site

These Terms of Use are entered into by and between You and Visteon Corporation ("Visteon"). The following terms and conditions, together with any documents they expressly incorporate by reference (collectively, these "Terms of Use") govern your access to and use of www.visteon.com and any other websites owned or operated by Company (unless otherwise specified), including any content, functionality and services offered on or through www.visteon.com (the "site"). Visteon authorizes you to access, view and download the materials on the site for individual and non-commercial use, provided that you retain all copyright and other proprietary notices contained in the original materials on any copies of the materials. You may not modify, create derivative works, reproduce, publicly display, perform, republish, download, store, distribute, transmit or otherwise use for any public or commercial purpose, any of the information, materials or data presented in this site without the permission of Visteon or the copyright owner. For purposes of these Terms of Use, any use of these materials on any other internet site or networked computer environment for any purpose is prohibited. You will not take any action to jeopardize, limit or interfere in any manner with Visteon's rights in and to the site. You agree not to portray Visteon, its products or this site in a false, misleading, derogatory or otherwise offensive manner. Visteon reserves the sole and exclusive right at its discretion to assert claims against third parties for infringement or misappropriation of its intellectual property rights in the site. The materials on this site are protected under U.S. and foreign copyright, trademark and other IP laws and Visteon reserves the rights to all material on this site with regard to such laws.

You may link to our homepage, provided you do so in a way that is fair and legal and does not damage Visteon's reputation or take advantage of it, but you must not establish a link in such a way as to suggest any form of association, approval or endorsement on our part.

Right to Change Terms

Visteon reserves the right to, at its sole discretion, change, modify, add or remove portions of these Terms of Use at any time. All such changes to these Terms of Use will appear on this page of the site and are effective immediately upon posting. We encourage you to check for changes to these Terms of Use regularly. By using the site following any modifications to these Terms of Use, you accept and agree to be bound by any such modifications to these Terms of Use. Unless explicitly stated otherwise, any new features that augment or enhance the current site shall be subject to these Terms of Use. Visteon may restrict access to some parts of the site or the entire site.

User Submissions

Other than personally identifiable information, which is covered under the Privacy Policy Statement, any material, information or other communication you transmit or post to this site will be considered non-confidential and non-proprietary ("Communications"). Your act of transmission or posting will signify your recognition that Visteon will have no obligations with respect to the Communications. Visteon, its affiliated companies, employees, contractors and agents (collectively, "Representatives") will be free to use, display, perform, modify, copy, disclose, distribute, incorporate and otherwise use the Communications and all data, images, sounds, text, and other things embodied therein for any and all commercial or non-commercial purposes. You represent and warrant that you own or control all rights in and to the Communications and have the right to grant the license granted above to Visteon and its Representatives, successors and assigns. Visteon is not responsible, or liable to any third party, for the content or accuracy of any Communications posted by you or any other user of the Site. In addition Visteon has the right to disclose your identify or other information about you to any third party who claims that material posted by you violates their rights, including their intellectual property rights or their right to privacy.

Disclaimer

Your use of the site, the materials, items and services provided at, or through this site are provided “as is” and “as available” basis, without any warranties of any kind, either express or implied and are made available solely for general information purposes. Neither Visteon nor any person associated with Visteon makes any warranty or representation with respect to the completeness, security, reliability, quality, accuracy, or availability of the site. Without limiting the foregoing, neither Visteon nor anyone associated with Visteon represents or warrants that the site, its content or any services or items obtained through the site will be accurate, reliable, error-free or uninterrupted, that defects will be corrected, that our site or the server that makes it available are free of viruses or other harmful components or that the site or any services or items obtained through the site will otherwise meet your needs or expectations. Visteon hereby disclaims all warranties of any kind, whether express or implied, statutory or otherwise, including but not limited to any warranties of merchantability, fitness for a particular purpose, or non-infringement of intellectual property.

Visteon further does not warrant the accuracy, usefulness, and completeness of the materials or services at this site. Visteon may make changes to the materials and services at this site, or to the products and prices described in them, at any time without notice. The materials and services at this site may be out of date, and Visteon makes no commitment to update the materials and services at this site. Information published at this site may refer to products, programs or services that are not available in your country. Such references do not imply that Visteon intends to announce such products, programs or services in your country. Consult your local Visteon business contact for information regarding the products, programs and services that may be available to you. Applicable law may not allow the exclusion of implied warranties, so the above exclusion may not apply to you.

You understand that we cannot and do not guarantee or warrant that files available for downloading from the internet or the site will be free of viruses or other destructive code. You are responsible for implementing sufficient procedures and checkpoints to satisfy your particular requirements for anti-virus protection and accuracy of data input and output, and for maintaining a means external to our site for any reconstruction of any lost data.

We will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of the site or any services or items obtained through the site or to your downloading of any material posted on it, or on any website linked to it.

The foregoing does not affect any warranties which cannot be excluded or limited under applicable law.

Limitation of Liability

Visteon, its affiliates and its suppliers, licensors, service providers, employees, agents, officers or directors will in no circumstance, be liable for any damages of any kind, under any legal theory whatsoever arising out of or in connection with your use or inability to use of this site, any websites linked to it, any content on the site or such other websites or any services, materials, information, data, or items obtained through the site or such other websites (including, without limitation any direct, indirect, special, incidental, consequential, or punitive damages, including, those resulting from lost profits, lost data or business interruption personal injury, pain and suffering, loss of revenue, loss of profits, loss of business or anticipated savings, loss of use, loss of goodwill, whether such damages are based on warranty, contract, tort or any other legal theory and whether or not advised of the possibility of such damages). All use is at your own risk, and you assume all costs of such risk.

Indemnification

You agree to defend, indemnify, and hold harmless Visteon, its affiliates, licensors, and service providers, and its and their respective officers, directors, employees, contractors, agents, licensors, suppliers, successors, and assigns from and against any claims, liabilities, damages, judgments, awards, losses, costs, expenses, or fees (including reasonable attorneys’ fees) arising out of or relating to your violation of these Terms of Use or your use of the website, including, but not limited to any use of the site’s content, services, and products other than as expressly authorized in these Terms of Use or your use of any information obtained from the site.

Links to Other Websites

Links to other, non-Visteon Internet sites on this site are provided solely as a convenience to you. If you use these links, you will leave this site. Visteon has not reviewed all of these third party sites and does not control and is not responsible for any of these sites or their content. Visteon does not endorse or make any representations about them, or any information, software or other products or materials found there, or any results that may be obtained from using them.

Use of third party sites is entirely at your own risk. Visteon is not responsible, or liable to you or any third party, for the content or accuracy of any materials provided by any third parties.

Applicable Laws

This site is administered by Visteon Corporation, Van Buren Township, Michigan, U.S. Visteon makes no representation that materials or services at this site are appropriate or available for use outside the U.S. You may not use or export or re-export the materials or services at this site or any copy or adaptation in violation of any applicable laws or regulations including without limitation U.S. export laws and regulations. If you choose to access this site from outside the U.S., you do so on your own initiative and are responsible for compliance with applicable local laws.

Accounts and Security

If any of the services on the website requires you to open an account, you must complete the registration process by providing us with true, current, complete and accurate information as prompted by the applicable registration form, and you will maintain and promptly update such information to keep it true, current, complete and accurate. You also will choose a password and a user name. You are entirely responsible for maintaining the confidentiality of your password and account. Furthermore, you are entirely responsible for any and all activities that occur under your account. You agree to notify Visteon immediately of any unauthorized use of your account or any other breach of security. Visteon will not be liable for any loss that you may incur as a result of someone else using your password or account, either with or without your knowledge. However, you could be held liable for losses incurred by Visteon or another party due to someone else using your account or password. You may not use anyone else's account at any time, without the permission of the account holder. You acknowledge and agree that certain services may provide password-restricted access to customer information such as names and certain terms of your contracts. By using this website and registering for such services, you consent to Visteon's display of such information via the services and accept all risks of unauthorized access to such information. If you provide any information that is false, inaccurate, out of date, or incomplete, or Visteon has reasonable grounds to suspect that such information is false, inaccurate, not current, or incomplete, Visteon may suspend or terminate your account and refuse any and all current or future use of the services or any portion thereof. You are responsible for all costs and charges – including without limitation, phone charges and telecommunications equipment – that you incur in order to use the services.

Unlawful or Prohibited Use

As a condition of your use of the website, you will not use the website for any purpose that is unlawful or prohibited by these terms, conditions, and notices. You may not use the services in any manner that could damage, disable, overburden, or impair any Visteon server, or the network(s) connected to any Visteon server, or interfere with any other party's use and enjoyment of the website (including, without limitation, denial-of-service attacks in any form or manner and introducing viruses, Trojan horses, worms, logic bombs or other material which is malicious or technologically harmful). You may not attempt to gain unauthorized access to services, materials, other accounts, computer systems or networks connected to any Visteon server or to the website, through hacking, password mining or any other means. You may not obtain or attempt to obtain any materials or information through any means not intentionally made available through the website. You may not transmit, or procure the sending of, any advertising or promotional material without Visteon's prior written consent, including any "junk mail," "chain letter" or "spam" or any other similar solicitation.

Unsolicited Ideas

Neither Visteon nor its employees accept or consider unsolicited ideas, including ideas for new advertising campaigns, new promotions, new or improved products or technologies, product enhancements, processes, materials, marketing plans or new product names (collectively, "Ideas"). Please do not send any original creative artwork, suggestions, or inventions (filed or unfiled), designs, concepts, developments or other works (collectively, "Works"). The sole purpose of this policy is to avoid potential misunderstandings or disputes when Visteon's product or marketing strategies might seem similar to Ideas or Works submitted to Visteon. If, despite our request that you not send us your Ideas, you still send them, then regardless of what your letter says, the following terms shall apply to your idea submission.

You agree that: (1) your Ideas and Works will automatically become the property of Visteon, without compensation to you and/or Visteon is granted an automatic unrestricted, royalty-free, perpetual, transferrable, assignable and worldwide license to such Ideas and Works, (2) Visteon can use the ideas for any purpose and in any way, even give them to others and (3) Visteon has no obligation to maintain confidentiality in such Ideas and Works.

Copyright Notice

Copyright © 2018 Visteon Corporation. All rights reserved. All text, images, graphics, animation, videos, music, sounds and other materials on this site are subject to the copyrights and other intellectual property rights of Visteon Corporation, its affiliated companies and its licensors. Visteon Corporation owns the copyrights in the selection, coordination and arrangement of the materials on this site. These materials may not be copied for commercial use or distribution, nor may these materials be modified or reposted to other sites.

Trademark Notice

All trademarks displayed on this site are owned exclusively by Visteon Corporation, or are used by Visteon Corporation under license. These trademarks include marks that are registered and unregistered and include, but are not limited to, product brand names, slogans, logos and emblems. The unauthorized use of any trademark owned or used by Visteon is strictly prohibited.

Governing Law and Jurisdiction

All matters relating to the website and these Terms of Use and any dispute or claim arising therefrom or related thereto (in each case, including non-contractual disputes or claims), shall be governed by and construed in accordance with the internal laws of the State of Michigan without giving effect to any choice or conflict of law provision or rule (whether of the State of Michigan or any other jurisdiction).

Any legal suit, action, or proceeding arising out of, or related to, these Terms of Use or the website shall be instituted exclusively in the federal courts of the United States or the courts of the State of Michigan, in each case located in the County of Wayne (although we retain the right to bring any suit, action, or proceeding against you for breach of these Terms of Use in your country of residence or any other relevant country). You waive any and all objections to the exercise of jurisdiction over you by such courts and to venue in such courts.

Privacy Statement

Visteon respects your privacy. At all times we will strive to keep your personal information confidential. We will only collect, store, and use any personal information you provide to us for defined purposes and will share it only with companies who share our commitment to protecting your privacy and data. By accessing this website, you agree to this Privacy Policy. If you do not agree with our policies and practices, you have the choice to not use our website.

You may contact Visteon's Legal Department, One Village Center Drive, Van Buren Township, MI USA 48111 any time with any questions or concerns you may have regarding the privacy policy.

The Visteon Privacy Policy is subject to change at any time. We encourage you to review the privacy policy regularly for any changes.

This Privacy Policy applies to information we collect on this website, in email text and other electronic messages between you and this website. It does not apply to information collected by us offline or through any other means, including on any other website operated by Visteon or any third party (including our affiliates and subsidiaries) or any third party, including through any application or content that may link or be accessible from or on the website.

Normal Website Usage

As you navigate through and interact with our site, we may use data collection technologies to gather information about your equipment, browsing actions, and patterns, including: (1) Details of your visits to our site, including traffic data, location data, logs and other communication data and resources you access and use on the website, and (2) Information about your computer and internet connection, including your IP address, operating system and browser type. We also may use these technologies to collect information about your online activities over time and across third-party websites or other online services. The information we collect automatically is statistical data and does not include personal information, but we may maintain it or associate it with personal information we collect in other ways or receive from third parties. Doing so helps us improve our website and deliver a better and more personalized service by enabling us to: (1) Estimate our audience size and usage patterns, (2) Store information about your preferences, allowing us to customize our website according to your individual interests, (3) Speed up your searches, or (4) Recognize you when you return to our website. In addition, we may use third-party analytical tools such as Google Analytics to track the above information, and your information may be associated with personal information held by those third parties.

Legal Basis for Processing

Visteon is entitled to process your data when you are visiting our websites (Art. 6 para. 1 lit. f) GDPR). If you subscribe to any service for which Visteon is asking you to provide consent, the legal basis of processing your data will be your consent (Art. 6 para. 1 lit. a) GDPR); you may be provided additional information on the processing in such case. You may revoke your consent at any time by following the steps to unsubscribe. If you have subscribed to a newsletter or a service, Visteon may send you additional information about similar services or products. You may revoke your consent to receive this additional information at any time by following the steps to unsubscribe. You may also send an email in this regard to the contact information at the end of this Policy.

Why and When We Collect Personal Information

Sometimes, it is necessary to collect data in order to fulfill a visitor's request for a service or correspondence. This information, such as name, mailing address, email address, type of request or additional information, is collected and stored by Visteon to fulfill your request. Your personal information is never given to any other company for that company's independent use. Visteon may employ third-parties to perform services or functions on our behalf. These companies may require access to personal information in order to perform their functions, but may not use it for other purposes.

Visitors to Visteon's website provide personally identifying information only when using one or more of the following services:

- Contact forms
- Resume submission
- Requests for additional information such as annual reports or other brochures
- Surveys and business reply forms
- Subscription emails
- Any other request or communication with the website

How We Collect Personal Information

Like many websites, Visteon's website uses "cookie" technology. When you first connect to our site, the cookie identifies your browser with a unique, random number. Cookies help us determine past users from new users and unique users, and to understand which parts of our websites are the most popular, where our visitors are going and how long they spend there. Your browser has options to accept, reject, or provide you with notice when a cookie is sent. A cookie may exist for up to 12 months.

In some of our communications, we use a "click-through URL." When you click one of these URLs, you pass through our web server before arriving at the website that is your destination. We may use Google Analytics (see below) to track data such as page URL, page title, browser information and language setting to help us determine your interest in particular topics and measure the effectiveness of our stakeholder communications.

Google Analytics

We use Google Analytics, a web analytics service provided by Google Inc., hereafter "Google," located at 1600 Amphitheater Parkway, Mountain View, CA 94043 USA (<https://www.google.com/intl/en/about/>), for the purpose of designing and continually optimizing our sites.

In this context, pseudonymised usage profiles are created and cookies are used. The information generated by the cookie includes:

- Browser type / version
- User operating system
- Referrer URL (the previously visited page)
- Host name of the accessing computer (IP address)
- Time of server request

This information is likely transmitted to a Google server in the U.S. and stored there. The information is used to evaluate the use of the website for reports, create reports about the website activities and providing other services connected with the use of the website and the internet for the purposes of market research and need-based design of these

websites. This information may also be transferred to third parties, if required by law or if third parties process the data in the order. Your IP address will not be merged with other data from Google. IP addresses are anonymized, so that an assignment is not possible (IP masking). You may refuse the use of cookies by a corresponding featuring of your browser; however, if this is done, all features of this website may not be fully available.

You may also use a browser add-on to prevent your data from being used by Google. If you want to opt-out, download and install a Google Analytics Opt-out Browser Add-on. A version for browsers on mobile devices may also be available. This will install an opt-out cookie which will block the future collection of your information. The opt-out cookie may only be valid on certain browsers and is stored on your device. If you delete the cookies in your browser, you may need to install the opt-out cookie again.

For more information about privacy in connection with Google Analytics, see the Google Analytics website.

Social Media Plug-ins

Our website may contain links to our social media channels or social media plug-ins (as referenced in Art. 6 Abs. 1 lit. f) DS-GVO). The underlying commercial purpose is a legitimate interest in the sense of DSGVO. Responsibility for the operation compliance with data protection is to be guaranteed by the respective social media providers. The integration of these plug-ins is done by way of a “two-click method” for convenience to visitors of our website – the website will require the visitor to take at least two steps prior to the content being shared to social media channels.

YouTube

Our website may contain links to Visteon’s YouTube channel. Visteon may integrate videos on in its website, which may be stored on www.youtube.com. These videos can be played on our website. When you visit Visteon’s website, YouTube receives information on video you watch. Your personal data is transmitted to YouTube, regardless of if you are logged into your YouTube account, and may take place even if you do not maintain such account. If you are logged into your YouTube account, your personal data will be associated with your YouTube profile.

If you do not want your personal data to be associated with your profile, log out of your YouTube account prior to watching a YouTube video on our website. The legal basis for integration of YouTube Videos into Visteon’s website is Art. 6 para. 1 lit. f) GDPR. Visteon uses YouTube videos share useful information about our products and services.

YouTube stores your data as a user profile and uses your personal data for advertisement, market research and/or need-based design of its website. Evaluation of such personal data is done, even of user who were not logged into YouTube, for need-based advertisement and to inform other YouTube users of your activities on our website.

How long and in what way YouTube will retain your data is beyond Visteon’s control. For further information concerning purpose and scope of data collection and processing, refer to YouTube’s privacy policy.

You have a right to object to such processing of your personal data by YouTube. To do so, contact YouTube LLC, 901 Cherry Ave., San Bruno, CA 94066, USA. For additional information, see the YouTube (Google) Privacy Policy.

Information from Minors

Our website is not intended for children under 18 years of age. No one under age 18 may provide any information to the website. We do not knowingly collect personal information from people under 13. If you are under 13, do not use or provide any information on this website or on or through any of its features/registration forms, make any purchases through the website, use any of the interactive or public comment features of this website or provide any information about yourself to us, including your name, address, telephone number, email address, or any screen name or user name you may use. If we learn we have collected or received personal information from a person under 13 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a person under 13, please contact us at:

Visteon Corporation Legal Department
Attn: General Counsel
One Village Center Drive
Van Buren Township, MI 48111

What We Do with Information You Provide Us

When contacting us about a product or service, visitors to our website may decide to send us information that identifies them personally. When that is the case, Visteon will only use that information to identify the user as a customer and to determine how to respond to the electronic mail and other internal business purposes. We will not share this information with third parties, except to the extent required by law, or to fulfill the purpose for which you provided it.

Visteon will not sell, rent, or lease your personal information to others.

Though we make every effort to preserve user privacy, we may need to disclose personal information when required by law wherein we have a good-faith belief that such action is necessary to comply with a current judicial proceeding, a court order or legal process served on our website.

Visteon will retain the data collected only as long as it is useful or necessary to address the request or needs of the visitor.

Visteon administers and operates the Visteon website from the U.S. Other Visteon sites may be administered and operated from various locations outside the U.S.

California Civil Code Section 1798.83 permits users of our website that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to akamal@visteon.com or write us at:

Visteon Corporation
Attn: Communications Department
One Village Center Drive
Van Buren Township, MI 48111

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. All information you provide to us is stored on our secure servers behind firewalls. The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our website, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. We urge you to be careful about giving out information in public areas of the website like message boards. The information you share in public areas may be viewed by any user of the website.

The transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our website. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the website.

Visteon will grant access to your data to those employees who are responsible for technical administration, maintenance and further development of the websites and the provision of the services you may have subscribed. In addition, Visteon engages external IT service companies to maintain its IT systems, and other service providers who assist Visteon to operate the website, to help with Visteon's business functions, or to provide the services you have requested. These third-party service providers may be able to access your data when performing their services. Visteon will contractually obligate these recipients to confidentiality to safeguard your data from disclosure and utilize an adequate level of data protection. For example, if legally required, Visteon will require such third parties to sign the EU or Swiss Model Clauses. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

Your Rights

If you are located in Europe and GDPR applies to you, and you are using this website in relation to the offering of goods or services, you have the following rights. These rights can be exercised by contacting us using the email at the end of this policy:

- Obtain information on your data in order to check and verify such data.
- Receive a copy of your data.
- The right to be forgotten.

- Correction, deletion or restriction of the processing, which also includes the right to have incomplete or incorrect data rectified by supplementary information.
- Right to object to the processing.
- You may receive your provided data in a structured, common and machine-readable format and transfer this data to another controller as long as you have consented to the processing, or the processing is based on a contract.
- Right to file a complaint with the regulatory authorities in connection with the processing of your data.

To contact Visteon with questions or concerns, please email DataPriv@visteon.com.
