

Mitsubishi Motors Begins Sales of the All-New Pajero Cross-Country SUV in Thailand
- Planned for rollout in approximately 100 countries and regions worldwide

Tokyo, October 19, 2026 - Mitsubishi Motors Corporation (hereafter, Mitsubishi Motors) today began sales of the all-new Pajero¹ cross-country SUV in Thailand. Manufactured at the Laem Chabang Plant of Mitsubishi Motors (Thailand) Co., Ltd. (MMTh)², the all-new Pajero will be sold in Thailand, while Australia and Japan will receive shipments ahead of sales beginning in mid-December.

From fiscal 2027³ onward, Mitsubishi Motors plans to roll out the model sequentially in approximately 100 countries and regions worldwide, including markets in the Middle East and Latin America.

All-New Pajero

The all-new Pajero is a cross-country SUV that carries forward and evolves its product philosophy, combining the off-road capability, reliability and durability of an authentic four-wheel-drive vehicle (4WD) with the comfort and ease of handling of a passenger car, while adding a new level of refinement worthy of a flagship model.

Located in the Laem Chabang Industrial Estate, Chonburi Province, in eastern Thailand, the Laem Chabang Plant is a key production hub supporting Mitsubishi Motors' global production and export strategy. With its long-standing experience and expertise in producing ladder-frame models, the plant plays an important role in bringing the newly refined all-new Pajero to customers around the world.

"We are delighted to begin sales of the all-new Pajero in Thailand as the first market for its global rollout," said Keisuke Kishiura, president and chief operating officer of Mitsubishi Motors. "Thailand is not only an important market for Mitsubishi Motors, but also a key hub for our production and exports. The all-new Pajero is a flagship model that embodies Mitsubishi

Motors and is positioned among the top-tier cross-country SUVs in the Thai market. We will continue to deliver appealing products from Thailand to customers around the world and provide value that exceeds expectations."

1. The Pajero nameplate is known as the Montero in some markets.
2. Mitsubishi Motors' local production and sales company in Thailand.
3. Fiscal 2027 is from April 2027 to March 2028.

###

About Mitsubishi Motors

Mitsubishi Motors Corporation (TSE:7211) - a member of the Alliance with Renault and Nissan - is a global automobile manufacturer based in Tokyo, Japan, with approximately 28,000 employees worldwide and production operations across Japan and the ASEAN region. Mitsubishi Motors has a strong heritage in all-wheel control technologies cultivated through rally activities, as well as decades of experience in electrified vehicle development. Leveraging these strengths, the automaker offers a diverse product lineup engineered to deliver superior performance across a wide range of road conditions and driving environments - including the Outlander PHEV, the Triton pickup truck, and the Delica Mini kei-car - reflecting Mitsubishi Motors' vision to awaken the spirit of adventure and deliver fulfilling mobility lifestyles. By further enhancing its signature technologies, Mitsubishi Motors continues its pursuit of creating distinctive products that embody Mitsubishi Motors-ness. With this commitment to vehicle manufacturing, Mitsubishi Motors will continue to deliver mobility experiences that bring excitement and inspiration to everyday life.
