Mitsubishi Motors to Exhibit at GAIKINDO Auto Week 2026 in Indonesia Xforce HEV Model Wins Car of the Year 2026 at GridOto Awards

Tokyo, November 20, 2026 - Mitsubishi Motors Corporation (hereafter, Mitsubishi Motors) announced that PT Mitsubishi Motors Krama Yudha Sales Indonesia (MMKSI), Mitsubishi Motors' sales and marketing company in Indonesia, will showcase its product lineup at GAIKINDO Auto Week 2026 (GAW 2026)*[1], which will be held in Tangerang, Indonesia, from November 20 to 29. Under the theme of "Life's Adventure: Confidence in Every Journey," MMKSI will display the Xforce*[2] HEV, Destinator, Xpander, Xpander Cross, and refreshed Pajero Sport.

Xforce HEV

The Xforce HEV has also received three awards at the GridOto Awards 2026*[3], including Car of the Year 2026, Best Small SUV, and Best Hybrid Car.

The vehicle was highly evaluated for its continuous product improvements based on customer feedback in Indonesia, as well as its practical hybrid system, fuel efficiency, comfortable driving performance, SUV capability, and comprehensive safety and convenience features.

This marks the fourth time a Mitsubishi Motors vehicle has won the Car of the Year award in Indonesia, following the Pajero Sport in 2016, the Xpander in 2018, and the Destinator in 2025. It is also the second consecutive year that a Mitsubishi Motors vehicle has received the award.

Mitsubishi Motors will continue to provide attractive products and services that meet the needs of customers in Indonesia, one of its key markets, and contribute to enriching their mobility lifestyles.

1. GAIKINDO Auto Week is an automotive exhibition organized by the Association of Indonesia Automotive Industries (GAIKINDO).
2. Sold as the Outlander Sport in some markets
3. The GridOto Award is organized by GridOto, an established automotive media outlet under Kompas Gramedia Group, Indonesia's largest media group. In 2026, 44 models were evaluated and selected based on criteria including design, features, performance, efficiency, value for money, comfort, and innovation.

About Mitsubishi Motors
Mitsubishi Motors Corporation (TSE:7211) - a member of the Alliance with Renault and Nissan - is a global automobile manufacturer based in Tokyo, Japan, with approximately 28,000 employees worldwide and production operations across Japan and the ASEAN region. Mitsubishi Motors has a strong heritage in all-wheel control technologies cultivated through rally activities, as well as decades of experience in electrified vehicle development. Leveraging these strengths, the automaker offers a diverse product lineup engineered to deliver superior performance across a wide range of road conditions and driving environments - including the Outlander PHEV, the Triton pickup truck, and the Delica Mini kei-car - reflecting Mitsubishi Motors' vision to awaken the spirit of adventure and deliver fulfilling mobility lifestyles. By further enhancing its signature technologies, Mitsubishi Motors continues its pursuit of creating distinctive products that embody Mitsubishi Motors-ness. With this commitment to vehicle manufacturing, Mitsubishi Motors will continue to deliver mobility experiences that bring excitement and inspiration to everyday life.
